Welcome to Busy Bees.

Where lifelong memories begin

We're more than just early learning. We're where the best memories of childhood are made and the best start in life begins. In our care, you can expect to see...

Words take flight

"Ta" "Uh-oh" "Bye-bye".
Their personality starts to shine through every word.

First real friendships

Shared giggles, held hands.
The joy of finding someone who gets them.

Proud little achievements

Jumping, cutting, counting.
"I did it!" has never sounded so sweet.

Little acts of kindness

A shared toy, a gentle hug.
Moments that show they care.

Stories to tell

They don't just answer, they share. You hear their world getting bigger.

Ready for life

From toddler steps to school readiness, you see just how far they've come.

The Busy Bees difference.

All-inclusive care

Busy Bees makes life simpler for families.

What to expect

Educators who truly know your child

We don't just care for your child – we know them. Our warm, qualified Teachers and Educators build deep relationships to help every child feel safe, supported, and excited to come each day.

Spaces that spark imagination

From cosy nooks to veggie gardens and mud kitchens, every space is purpose-built for play-based learning and joyful discovery.

Flexibility for real life

We offer extended opening hours and flexible sessions, because we know life doesn't run on a fixed schedule.

Stay Connected to Your Child's Learning Journey

With the Storypark App, you'll receive real-time updates, photos, and insights from your child's educators—so you never miss a moment, milestone, or magic memory.

Safety and care.

Safe, Every Step of the Way

At Busy Bees, safety is built into everything we do, from national policies to daily routines.

✓ Trusted, qualified educators

All team members hold Working with Children Checks. There is always someone available who is first-aid trained (including CPR, asthma, and anaphylaxis), and every team member must complete annual child protection training.

✓ Health and wellbeing first

We follow national sleep and nutrition guidelines, maintain high hygiene standards, and manage allergies and medical needs with individualised plans.

✓ Secure environments

Centres have monitored access, strict sign-in/out procedures, and approved emergency plans with regular drills.

✓ A culture of safety

We empower children to speak up, foster safe relationships, and uphold the National Principles for Child Safe Organisations.

What we teach.

Our curriculum

What will my child learn?

Grounded in the Early Years Learning Framework (EYLF), our approach supports the whole child.

Our Curriculum...

Follows the Early Years Learning Framework, and is:

01.

Play-based

02.

Child-led

03.

Flexible

04.

Inclusive

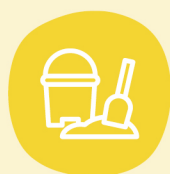

Our teaching philosophy

Our approach has been formulated by childhood learning experts who focus on building independence, resilience and a love of learning in our every child.

Safe and supported

Children learn best when they feel loved, known and valued.

Learning through play

From mud pies to counting games – play builds real-world skills.

Led by their interests

We follow your child's curiosity to spark meaningful discovery.

Family partnerships

You're part of their learning journey – every step of the way.
